SECTOR
NO LIMITS

330 YACHT COLLECTION

FURBISHING YACHT TIMER

La funzione Yacht Timer permette di impostare un corso alla vela, seguito da un segnale sonoro come nella vela. Inoltre, viene fornito un orologio da polso in acciaio, che è a 3 anni di garanzia dalla data di acquisto.

Per impostare la funzione aprire la corona fino al primo click. Premere il pulsante (P) per impostare la modalità Yacht Timer (quarta e quinta posizione). Il display mostrerà il tempo. Per impostare il countdown premere il tasto (R), rispettivamente per fermare il conto alla rovescia e premere il pulsante (S) per riavviare il countdown.

YACHT TIMER FUNCTION

The Yacht Timer function allows to set a countdown followed by a sound signal as in sailing regatta. There are three different countdown modes: 10, 5 and 1 minute, each of which can be activated by the user.

To set the function pull the crown out to the 1st click position. Press the button (P) to set the Yacht Timer mode (fourth and fifth position). The display will show the time. To start the countdown press the (R) button, respectively to stop the countdown and (S) button to restart the countdown.
